TODAY'S WEDDINGS.

ONE IN THE CITY AND ONE IN ANACADIA THIS MORNING.

Mr. Malcolm H. Mason, a conductor on the I. C., of Duquoin, Ill., and Miss Belle K. Green were married at the residence of the bride, in Anacadia, this morning. Mr. Mason is a highly respected young man and stands high in his business. Miss Green is well known here and is a very popular young lady. They will reside in Anacadia where Mr. Mason is stationed.

Mr. William Reymann, of Lexington, Ky., and Miss Katherine B. Davis, of this city, were married at the First Presbyterian church this morning at 9 o'clock Rev. George W. Briggs officiating. The marriage was a quiet affair only a few of the couple's most intimate friends being present. Mr. Reymann is a mechanic and a prominent young man in his home. Miss Davis is a sister of Mr. Chas. Davis, the organist, and of Mr. B. B. Davis, the architect. She is a young lady of many attractions and is a favorite with her acquaintances. The couple will go to Lexington to reside.

ANOTHER CONFERENCE.

COMMITTEE TO MEET WITH THE STREET CAR PEOPLE THIS EVENING.

It is understood that there is to be another conference this evening between the arbitration committee appointed by the Central Labor union and the street car officials. It seems the negotiators are not satisfied with the agreement made last week.

A CORRECTION.

The Paducah Sun of yesterday makes the following statement:

"The white and colored ministers of Paducah met yesterday afternoon and compared notes on the work in their churches. The colored ministers also held a weekly meeting and discussed their work, and by arrangement the white and colored ministers will meet about once every month and compare progress."

The definite article "the" includes all ministers of Paducah. The statement in the Paducah Sun is incorrect. As far as I am concerned, would have it understood that I did not meet with the "white and colored ministers" in the past, and shall not meet with them in their meetings in the future. I also state that I am not a member of the "Ministers' Association," so-called. Very Respectfully, J. H. HARTENBERG, Pastor of the E. Lutheran church.

RAILROAD NOTES.

BIG RECEIPTS IN THE LOCAL I. C. OFFICE LAST MONTH.

Mr. R. H. McCann, the well known I. C. engine foreman, went to Dawson this morning on a short visit.

Mr. W. D. Tudor, the N. C. & St. L. railroad conductor, went to Greenville, Ky., this morning. His wife who has been visiting in that place for the past several weeks will accompany him home.

Mr. Jim Matthews, son of H. O. Matthews, the traveling engineer of the I. C. arrived in the city this morning and will probably take a run out of this city. He was formerly an engineer on the I. C. here, but for the past three years has been running in California on the Southern Pacific road. His many friends will be glad to see him back.

Mr. John Connell, the stenographer in the train master's office has returned from Louisville where he visited his parents.

The receipts at the local Illinois Central ticket office for the month of May were something near \$10,000. This is a fair example of the passenger business done by the I. C. out of Paducah. The carnival did not help the local office out, as might have been supposed, as all the visitors during that week had return tickets and the local office was not effected. The Memphis remittance, however, added a little more business, but the visitors from this city were not so numerous as might have been believed.

Mr. H. O. Wallace, of Greenville, Ky., took charge of the local I. C. ticket office last night. He has been in the city for several days but had not become sufficiently acquainted with the business until last night.

George Shewell was fined \$1 and costs for a breach of the peace.

COUNTY COURT.

Mattie McCane was appointed and qualified as the guardian of Henry J. McCane this morning in the county court clerk's office.

In the case of Georgia A. Ragdale and others against the Paducah Banking Co. a judgment of \$514 was filed in favor of the plaintiff. Defendant then prayed an appeal to the court of appeals and the prayer was granted.

In the case of the Mechanics' Building and Loan Association against W. S. Bishop a judgment was filed in favor of the plaintiff.

SANITARY NOTICE TO OWNERS OF PROPERTY AND LESSEES OF PROPERTY.

LIVELY LAWSUIT

Dr. L. B. Cosby Renounces His Late Wife's Will.

HE WILL GO TO THE LAW

He Claims He is Entitled to Half the Personal Property and One-Third the Real Estate.

ESTATE APPRAISED AT ABOUT \$35,000

A big lawsuit is promised over the estate of the late Mrs. Jane Cosby, who died recently in Elizabethton, Ill., and was buried in Oak Grove here. Mrs. Cosby formerly lived here, and left an estate appraised at about \$35,000 of which \$21,000 is stock in the City National bank here with a fine brick residence on North Fifth near Madison.

While in the city some time before her death she made her will, in which she cut off her husband, Dr. L. B. Cosby, with \$5. She had been separated from him for about two years and he now resides in Cynthiana, Ind. He has been here and employed on at attorney, Hon. R. T. Lightfoot, and is determined to resist the provisions of the will.

In the county court he has already renounced the will, which means that he declines the \$5 left him, and will contest the will in the courts.

Attorney W. D. Greer is executor of the will without bond. Monday is the county court a motion will be made by Dr. Cosby's attorneys to require the executor to give bond, and an order asked restraining him from touching the personal property or selling the real estate, until the courts settle the question of law involved. If this motion is sustained the court will be asked to require the executor to turn over to Dr. Cosby his legal share. If the decision is against him the case will be appealed and suit brought.

Under the laws of Kentucky a husband is entitled to half the personal property and one-third of the real estate left by his wife and vice versa, and it is claimed that there is no way to deprive Dr. Cosby of his share, which will amount all told to about \$30,000, and which will necessarily upset the other provisions of the will. Some of the beneficiaries reside in California and others in Illinois.

About \$7,000 worth of real estate in Paducah is a part of the estate. Agitated with Attorney Lightfoot in the case will be Attorney R. H. Fowler, of Elizabethton, Ill.

Owing to the amount of money involved, it is almost certain that there will be lively litigation over the estate.

Attorneys Greer & Reed will represent the other beneficiaries.

Ira D. Reckard, Dunmore, Ia., writes: "My little boy scalded his leg from the knee to the ankle. I used BANNER BALM immediately and in three weeks' time it was almost entirely healed. I want to recommend it to every family and advise them to keep Banner Balm on hand, as it is a sure remedy for scalds or any sores."
